

The Association of Philadelphia Tour Guides (APT) was founded in 2008 to bring professional and volunteer guides together to act as a voice for our membership and to insure a high quality experience to every visitor to our city.

We Tour Guides take great pride in the services we provide to those who wish to explore the rich historical, architectural and cultural resources of Philadelphia.

To ensure high professional standards, we have created a Guide Training Program and the APT Handbook containing information on over 180 Philadelphia sites and historic figures. We offer a Certification exam for all city guides.

APT is a valuable resource to tour guides for networking and continuing education.

Everyone connected to Philadelphia's bustling hospitality industry is invited to join: docents, site managers, re-enactors, carriage drivers, walking guides, step-on guides, volunteers and all other interested parties.

APT monthly meetings on the second Wednesday of each month begin with a presentation on Philadelphia topics. They range from 18<sup>th</sup> century clothing to Victorian magicians, and colonial brewing to current tour guiding technology. Check the APT website for details and location.

You are welcome to join us for convivial company, fascinating presentations, and lively discussions. You can become a member of the Association of Philadelphia Tour Guides for a modest annual fee of \$50.
